STRONG STATEMENTS.

Three Women Relieved of Female Troubles by Mrs. Pinkham.

From Mrs. A. W. SMITH, 59 Summer St., Hilderford, Me.: "For several years I suffered with various diseases peculiar to my sex. Was troubled with a burning sensation across the small of my back, that all-gone feeling, was despondent, fretful and discouraged; the least exertion tired me. I tried several doctors but received little benefit. At last I decided to give your Lydia E. Pinkham's Vegetable Compound a trial. The effect of the first bottle was magical. Those symptoms of weakness that I was afflicted with, vanished like vapor before the sun, and I could speak of it truly as your valuable remedy. It is truly a boon to woman."

From Mrs. MELISSA PHILLIPS, Lexington, Ind., to Mrs. Pinkham: "Before I began taking your medicine I had suffered for two years with that tired feeling, headache, backache, no appetite, and a run-down condition of the system. I could not walk across the room. I have taken four bottles of the Vegetable Compound, one box of Liver Pills and used one package of Sanative Wash, and now feel like a new woman, and am able to do my work."

From Mrs. MOLLIE E. HERBEL, Powell Station, Tenn.: "For three years I suffered with such a weakness of the back, I could not perform my household duties. I also had aching in the womb, terrible bearing-down pains and headache. I have taken two bottles of Lydia E. Pinkham's Vegetable Compound and feel like a new woman. I recommend your medicine to every woman I know."

NEW SUITS INSTITUTED. One Grows Out of Fly Wheel Accident of Green Ridge.

Suit was instituted yesterday by Thomas W. Davis and Maria Davis to recover \$10,000 damages from Susan Spencer, Frank Spencer, Ambrose Spencer and Charles Spencer, proprietors of the Green Ridge Iron works.

The son of the plaintiff was killed at the Green Ridge Iron works last March by the bursting of a fly wheel. They allege that the wheel was defective in construction and that it was being run at a speed not consistent with safety when the calamity occurred.

Witnesses at the inquest are now prepared to tell stories different to those which they told to the coroner's jury, which exonerated the company from all blame in the matter.

John E. Scroggie and O'Brien & Kelly are attorneys for the plaintiffs.

At the residence of Mr. and Mrs. Philip Graff, of Alder street, was observed the twenty-fifth anniversary of their marriage and forty-seventh anniversary of the birth of Mr. Graff last night. They gave a dinner and dance in honor of the happy events, which were attended by a large number of the friends of the popular couple.

NURS OF NEWS. John Japolski was arraigned before Alderman Lentz yesterday morning on the charge of assault and battery preferred by John Berghauer, who alleged that the assault was made on his wife Saturday. The affair was a family quarrel, and the alderman decided the best way to settle the matter was in discharge of the defendant, and giving the wrong people some practical suggestions.

At a special meeting of the Junger Maennerchor held last night, a committee was appointed to arrange for the annual festival of the society at Christmas. This year the affair will be held Tuesday night following Christmas at Schimpf's hall. The committee of management is comprised of Otto Robinson, chairman; Albert Gutelz, Charles Lewert, Jacob Schunk, Albert Welch, Archie Patterson, George and William Mac, William Satter, Carl Berghauer, Philip Lewert and Fred Heintz.

Walter Aplanap, of Pittston avenue, will leave today for Chicago where he will reside for an indefinite period. He is a member of the William Connell Hose company and at their quarters last night a farewell reception was given him. Music, luncheon and addresses were the features of the occasion which was pleasant in every respect. The energetic member was to leave.

Comet lodge, Knights of Pythias, met in regular session at Hartman's hall last night. An interesting feature of the meeting was the initiation of Jacob Donah into the society.

Alderman Lentz spent last night at Wilkes-Barre.

Miss Mary Wirth, of Hickory street, and Miss Kate Demuth, of Cedar avenue, are seriously ill. The latter is a daughter of County Commissioner John Demuth, who has just recovered from a severe illness.

The military portion of the Century Hose company met for drill practice at Natter's hall last night.

MINOOKA. Charles Guard, of West Minooka, a miner in the Holden mines at Taylor, was fatally injured yesterday morning by a premature blast. Patrick Conboy, his laborer, was also injured painfully. Guard was conveyed to his home in this place, from which he died a few hours later. He is survived by his wife and a family. Funeral arrangements have not yet been made. Conboy's injuries are not serious.

Michael J. Welsh, of Company A, Thirtieth regiment, who has been home the past month, left today for the South, to join the regiment.

The Minooka borough project has evidently materialized and the township of Lackawanna, once the largest in the Keystone state, is passing into history. The borough line has been extended into the most valuable portion of the township and the consensus of opinion is that the remaining portion will not be self-sustaining as a report is going the rounds that the officials of Taylor borough are contemplating expanding their territory to the villages of the Payne and Archbald, which now make up the South and Northeast districts.

The action of the court in granting the petition of the boroughs is causing a little gossip, and what action will be taken on it remains to be seen.

GREEN RIDGE. Attorney Walter Briggs is building a fine residence on Jefferson avenue. Rev. John Case, of Philadelphia, is visiting Rev. Isaac Lansing.

C. R. Krebs, of Wilkes-Barre, is visiting Mrs. Oettinger, of Calceps avenue. He will work at Mrs. Oettinger's.

Mrs. J. A. Montgomery entertained a party at dinner at her new home in Green Ridge yesterday.

Mrs. Ora Conner, of Deacon street, is quite ill with the grip.

A large audience turned out last evening to hear John L. Cass lecture on "Hunting Big Game in a Western Elk State." The lecture was very pleasing and kept his audience well entertained.

CLOSED UP ON EXECUTIONS. Of New York and Philadelphia Creditors—Stock Has Been Removed and the Sale Will Start Friday, Dec. 2, at 9:30 a. m., and All Must Go in Twenty Days.

One of our leading clothing merchants was closed up by New York and Philadelphia creditors and was forced to suspend business, and failed for \$95,000, on account of hard times, bad debts and the scarcity of ready money.

Merchants in New York are panic stricken over this failure in clothing. Being unable to agree with the creditors as to the liabilities it was unanimously decided to sell the stock at once by public auction.

For this great sale the large store room, 124 Penn avenue, a few doors from St. Charles hotel, Scranton, Pa., has been rented, and all must be sold in twenty days.

Without any exception this is the "very finest" selection of ready-made, grade merchant tailoring ever placed on public sale in this country. If you want to secure some of these wonderful bargains you must "come immediately," as the time is limited and the assignee will sell the stock at no matter how great the sacrifice and entirely regardless of loss or value, in order to settle the liabilities of the bankrupt firm as "quickly as possible."
